COBBLESTONE HOTELS, LLC CELEBRATES GRAND OPENING OF SECOND OHIO LOCATION

MARCH 6, 2020 – NEENAH, WISCONSIN – Cobblestone Hotels celebrates the official opening for the Ariel Broadway Hotel by Cobblestone in Lorain, OH.

After a grand opening ceremony earlier in the week followed by final opening preparations, the Ariel Broadway Hotel by Cobblestone excitedly opened its doors today.

On Monday, representatives from Cobblestone Hotels, city and state officials, investors, and esteemed members of the Lorain community gathered to welcome the town's newest lodging addition. This is the second Cobblestone property to open in the state and the first historical restoration project within the Cobblestone family.

Located along the Lake Erie shoreline at 301 Broadway Avenue, the hotel provides 56 guestrooms. Originally built in 1925, the property has undergone a massive transformational remodel preserving the building's rich historical character while also incorporating the amenities tailored around the modern traveler.

"For years, Ohio's 10th largest city hasn't seen an option for lodging. This hotel has been a catalytic project for the city of Lorain and we are very happy to be part of the transformation taking place in our community. We could not be prouder of our public partnership and overwhelming support from the citizens of this wonderful city", said Radhika Reddy, Founding Partner of Ariel Ventures LLC and Investor of Ariel Broadway Hotel by Cobblestone.

The hotel proudly features the brand's consistent amenities such as 24-hour Seattle's Best Coffee Service, Complimentary High-Speed Internet Access, and Complimentary Digital Access to the WSJ. Other onsite amenities and services include an elegant event Space with spacious views of the city and lake, Meeting Room, Gift Shop, Bakery, Flower Shop, and Sports Bar. A Fine Dining Restaurant, Candy and Chocolate Shop, Jewelry Store, Pool, and Fitness Center are also in the works and expected to be available within the next several months.

Guestrooms incorporate Flat-Screen TVs, Microwaves, Refrigerators, Hairdryers, Iron and Ironing Boards, Luxury Linens, In-Room Coffee, and extra Charging Stations for Electronics. Premium suites are also available.

Whether you are traveling for business or for leisure, you will experience the big city quality, and small town values that each location has to offer. Visit www.CobblestoneHotels.com for reservations or for more information.
