## NEWS RELEASE

### COBBLESTONE HOTELS, LLC BREAKS GROUND IN EATON, OHIO

August 20, 2024 – Neenah, WI – Cobblestone Hotels celebrated the groundbreaking of their new hotel in Eaton, OH.

The celebration featured guest speakers from various area associations, including David Kirsch, Vice-Mayor of the City of Eaton, Harold Niehaus with Eaton Hospitality Group, LLC, and Justin Sommer, representing the Preble County Development partnership. All speakers voiced a similar sentiment that the addition of this hotel represents the economic advancement of the city of Eaton, as this hotel will support the local tourism industry and provide a much-needed lodging option within the city for those travelling to Eaton for corporate reasons. Kirsch expanded on this idea further as he discussed the impact that the hotel has already had on Eaton, stating that “This project is not just a symbol of progress, but also of the collaboration and determination that defines our city”. The addition of the hotel is also expected to support the local economy by bringing jobs to the area and encouraging people to spend additional time within the city when they visit, at restaurants, at stores, and at other area businesses.

Jeremy Griesbach, President of Development for Cobblestone Hotels, shared his excitement about the growth of Cobblestone Hotels in Ohio, noting that the addition of Eaton represents Cobblestone’s fifth project in the state. He thanked everyone who has been involved with this project since its beginning and shared his enthusiasm for the brand’s continued growth in the state. “Our footprint is definitely spreading, and we are excited to fill in Ohio.” Griesbach said.

This hotel will be a sixty-six-room facility spanning three floors. Guests will be able to enjoy Cobblestone’s consistent amenities such as 24-hour Seattle’s Best Coffee service, high-speed internet access, and a complimentary hot breakfast each morning. Guestrooms will be equipped with flat-panel televisions, microwaves, refrigerators, and in-room personal coffee brewers.

The Cobblestone Hotel & Suites will be located on East Washington Road in Eaton, Ohio. This hotel will host an onsite lounge, business center, onsite fitness center, and onsite convenience store to meet the needs of those seeking lodging in the Eaton area. The property is being constructed by Brimark Builders and will be managed by Slate Hospitality Group.
