NEWS RELEASE

Cobblestone Hotels, LLC celebrates the grand opening of the Cobblestone Inn & Suites in Boise City, Oklahoma.

April 15, 2025 – Neenah, WI – Cobblestone Hotels celebrated the grand opening and official ribbon cutting ceremony for their new hotel in Boise City, Oklahoma.

A crowd gathered in the lobby of the new hotel to formally celebrate the addition of the hotel to the community of Boise City. In attendance were representatives from [Cobblestone Hotels LLC](#), the [Cimarron County Chamber of Commerce](#), representatives from the [City of Boise City](#), members of the investment group BCOK Lodging LLC, and representatives from [First Farm Bank](#). Some spoke during the ribbon-cutting portion of the ceremony, sharing their reflections on the journey to bring the hotel to the city, and their enthusiasm for the future of Boise City.

One such speaker was Amy Crawford, who shared a few words on behalf of the Cimarron County Chamber of Commerce and their hopes for the role the Cobblestone Inn & Suites will play in the development of the city. "The addition of the Cobblestone hotel brings more than just comfortable lodging, it brings opportunity," Crawford said. "It's a sign of growth, and a welcoming hand to

travelers, and an investment in Cimarron County's future".

There were multiple members of Cobblestone Hotels' corporate team in attendance, including Tim Shefchik, VP of Development, and Jeremy Griesbach, President of Development for the company. Shefchik, who was the lead developer on this project, expressed his admiration for the dedication demonstrated by the community when he said "...to get anything done in a small town, we have to roll up our sleeves, together. Everybody's got to buy into it, everybody's got to pitch in. That's really what a community is, and I don't think that could have happened any better here, in this community of Boise City".

Griesbach echoed Shefchik's gratitude for the community in Boise City, which is home to Cobblestone Hotels only currently operating location in the state of Oklahoma. Griesbach addressed these local teams, including the city, the bank, the investment group, and the onsite staff when he said "Without that local support... nothing happens in small town America." Cobblestone, which has its roots in small town America, hopes to continue expanding the brand within the state of Oklahoma, growing into similar communities that are looking to provide visitors with quality lodging options that will incentivize them to stay local for longer when they find themselves in town.

Guests at the Cobblestone Inn & Suites will enjoy consistent Cobblestone amenities such as high-speed internet access, a complimentary hot breakfast each morning, and 24-hour Seattle's Best Coffee service for all guests to enjoy. This hotel also features onsite services such as a fitness center, a guest laundry room, and a business center.
